NOD-O-GEN

The recognized leader in bottle cultures. Prepared in our own Chicago laboratories for more than 20 years. Only highest test strains of proper bacteria are used. This culture has all the good features and has best efficiency record. Benefit both yourself and customers by supplying Nod-O-Gen for the utmost in results. Splendid margin of profit for you - yet it is priced economically to the user.

DICKINSON'S HUMUS

The simplified inoculator. Same high test strains of bacteria are used in production of Dickinson's Humus and it is easily applied to the seed.

GLOBE FEEDS

For

Poultry, Cows, Hogs, Horses, Dogs, Pigeons, Rabbits, Foxes

For more than thirty years The Albert Dickinson Company has been known as leaders in the field of feed manufacturers. Constantly searching for something better; everlastingly experimenting to produce feeds of greater value at the lowest possible cost to the user, has kept us out in front year after year.

The best recommendation we can offer for Globe Feeds is the fact that dealers stay with us. We have

dealers who have been handling Dickinson's Feeds for over thirty years. Some of the very first merchants who ever purchased feeds from us, are still regular customers.

If you want to build a feed business that will last; one that is on a solid foundation of quality and results at fair prices, ask us about our Globe plan of feed merchandising.
